NILES

The home of Henry Dean, West Niles, was thoroughly ransacked by burglars Sunday evening, the evidence of their visit being seen in desk, dresser, and buffet drawer contents scattered about. Before going south for the winter Mr. and Mrs. Dean had taken the precaution to place some valuable articles and papers in safety deposit vaults. It is not known whether or not the burglars carried away anything. Attorney and Mrs. W. N. Burns have gone to Ann Arbor, where Mr. Burns will submit to an operation at Washtenaw hospital. About a year ago Mr. Burns was operated upon, but a few days ago he was suddenly stricken with a recurrence of the ailment which made that operation necessary. He was advised by his physician to go to Ann Arbor at once.

Dr. A. S. Newton, state veterinarian,

is investigating the malady that in the past few days has killed off seven of the thirteen fine hogs owned by Mr. Laneley, farmer living north of Dowagiac and just inside the Van Buren county line. The state agent from a cursory examination does not believe the disease is contagious and decided to observe the case for the next few days.

For the first time in the history of state grange affairs, Berrien county has furnished an officer of that body. Mrs. Edith Spaulding of Buchanan has been elected Flora.

Mrs. Spaulding was born and educated in Cleveland.

Miss Elsie M. Hulse of Center Hill, and Oscar H. Seinszen of Niles were united in marriage at the Hopkins home in Michigan City by Rev. Frederick E. Hopkins. The attendants were Joseph Ruokosky and Miss Dorothy Ruokosky.

Burdette Baker of this city and Miss Elizabeth Sittler of Buchanan were married at the Methodist Par-

sonage by Rev. J. R. T. Lathrop. The couple was accompanied by Mrs. Eugene Baker, the groom's mother. The groom is employed as a switchman by the Michigan Central railway Co. The couple will reside in Eastlake Terrace.

ASKS JUDGMENT ON PROMISSORY NOTE

Judgment for \$78.80, 8 per cent interest from date, and 5 per cent attorney fees is asked in a circuit court action filed Tuesday by Della Wilhelm against Stephen J. Taberski and Katayna Taberski. The complaint states that the plaintiff loaned \$78.80 to the defendants on a promissory note dated April 30, 1920, which was to run six months without interest, and it not paid on that date was to draw interest from date. The plaintiff now asks for a court order to compel payment of the note and the cost of the action.

Invite Mrs. MacSwiney To Address Meet Here

If the plans made at a meeting of the Knights of Columbus materialize, South Bend will be given an opportunity of hearing Mrs. Marie MacSwiney, widow of the late Terrence MacSwiney, lord mayor of Cork, it became known today.

Mrs. MacSwiney is now enroute west and an effort will be made to bring her to this city after she reaches Chicago. E. J. McMurra was appointed chairman of a committee to confer with other Irish societies of the city and work in conjunction with them in arranging the program and entertainment features. Mrs. MacSwiney's manager will at once be communicated with and a definite date set for her visit here.

Fountain syringes, water bottles and combination syringes. Half Price. Bastian's Drug Store.
